- ✓ Mobile signal: Good

Description

Being Sold via Secure Sale online bidding. Terms & Conditions apply

Welcome to Legbourne Mill, tucked away within the beautiful and sought-after village of Legbourne, with the rolling hills of the Lincolnshire Wolds to the west and within a few miles to the east many quiet and secluded stretches of coastline. The approach to the Mill along Mill Lane is delightful! The private and secure area to the front of the mill has space to accommodate numerous vehicles.

Over the years, much work has been carried out to the Mill to include lime plastered walls throughout, bespoke wooden sash windows and flagstone flooring to the ground floor with underfloor heating.

The mill cap has been rebuilt and all the mill tower floors have been replaced, incorporating traditional joinery with chunky pine beams, wide ceiling boards and traditionally nailed floorboards in reclaimed pine.

The extension to the mill tower has been opened up to great effect, creating a wonderful open plan space featuring a wide galley kitchen in old pine and a spacious living area with log burner. Light floods in the double patio doors which open on to a private fenced garden, with a yorkstone flagged patio to the rear of the building overlooking the river. The extension also incorporates a shower room with wc .

Step out of the door on the first floor onto the wrap around balcony which would have originally been used to pull the ropes to turn the windmill sails in and out of the wind. The balcony does require some repair.

The six floors of the mill tower provide 6 quirky spaces, each with their cosy lime plastered walls and warm wooden ceilings and floors. The ground floor with its underfloor heating makes an ideal living room, or bedroom, with 4 upper floors for bedrooms or additional living, plus the third floor which accommodates the family bathroom. Whilst the property does require some refurbishment works, it's ready for its new owners to make it their own!

EPC rating: Exempt. Tenure: Freehold.

Reception Room 1 4.61m X 4.36m
