Description

Three bedroom semi-detached house occupying a substantial wrap-around corner plot in a popular residential area, offering excellent potential to extend or further develop, subject to the necessary planning permissions.

The property provides spacious accommodation throughout, briefly comprising an entrance hallway, spacious lounge and an open-plan kitchen/dining area fitted with a range of wall and base units, integrated appliances and ample space for dining and everyday living. Large windows throughout the property provide good natural light.

To the first floor are three well proportioned bedrooms along with a family bathroom fitted with a bath and shower over, wash basin and WC.

Additional benefits include double glazing, gas central heating and built in storage throughout.

Externally, the plot is a standout feature of the property. The wrap-around gardens provide a significant amount of outdoor space rarely available with this type of home, with large lawned areas, patio seating spaces and open views across the surrounding countryside. The size and positioning of the plot offer clear scope for extension or future development opportunities, subject to obtaining the relevant consents.

To the front, the property benefits from a good sized driveway providing off-road parking for multiple vehicles, along with gated access and secure boundary fencing/walls. The generous frontage and overall plot size make this an ideal purchase for buyers seeking a property with long term potential.

Situated in a sought after and well established residential location, the property is well placed for access to local amenities, schools and transport links making it ideal for families.

The property would suit a range of buyers including owner occupiers, investors and developers looking for a home with extensive outdoor space and development potential.
