Description

Presenting this excellent opportunity to acquire a chain-free retirement apartment through the Modern Method of Auction, proudly offered to the market by Dewhurst Homes. Available on a 70% shared ownership basis, this well-maintained first-floor apartment forms part of the highly regarded Guardian Close retirement development in the heart of Fulwood, exclusively designed for residents aged 60 and over.

The apartment offers comfortable and well-proportioned accommodation, comprising a spacious lounge with pleasant views, a fitted kitchen, a generous double bedroom, and a three-piece shower room featuring a corner shower enclosure with electric shower. The property also benefits from a useful loft storage area, providing additional practical storage rarely found in similar retirement apartments.

Ideally situated within easy reach of local amenities, the development enjoys excellent transport links to Preston city centre and beyond. A range of everyday conveniences, including a post office, library, hairdressers, doctors surgeries, and dental practices, are all within walking distance, while supermarkets, leisure facilities, and additional shopping amenities are easily accessible via local transport routes.

The development offers residents a safe, secure, and welcoming environment with a strong sense of community. A spacious communal lounge provides the perfect setting for socialising and organised resident activities, while the communal laundry facilities offer additional convenience. The building is serviced by a lift to all floors, ensuring ease of access throughout.

We have been advised the sinking fund contributions will be reflective of the full value of the property and not the sale value.

Residents can also enjoy beautifully maintained landscaped gardens and resident parking. Regular social events and activities help foster a friendly community atmosphere, including coffee mornings, games evenings, organised outings, and film nights.

For additional peace of mind, the development benefits from a resident Development Manager and a 24-hour emergency call system, providing support and reassurance whenever required.

This is a fantastic opportunity for those seeking independent retirement living within a popular and well-established development. Early enquiries are highly recommended.
